

The Daily City Food Truck Bazaar, the nation's first touring food truck event!

Named "the pied piper of food trucks" by the Orlando Business Journal, Baratelli selects each truck himself through a menu, tasting and paperwork review. He has a passion for presenting the best trucks he can find in the area. "When tourists visit my events, I want them leaving saying 'Orlando has a fantastic food truck scene!' So, selection, curation and management of that level of quality are supremely important to me."

The Space Coast Art Festival has partnered with the Daily city Food Truck Bazaar to bring this culinary experience to Port Canaveral for the first time. Fine Art, entertainment and a quality food experience go hand in hand!
