PARK & RIDE SHUTTLE INFO

FREE park-and-ride service will be provided from the parking lot of the Cape Royal building located at 1980 N. Highway A1A in Cocoa Beach, Craig Technologies Facility on A1A in Cape Canaveral, and Terminals 3 & 4. Avoid parking hassles and enjoy our free park-and-ride service!

WELCOME TO THE FESTIVAL

The Board of Directors and I welcome you to the 51st Annual Space Coast Art Festival at Port Canaveral. The grounds surrounding the Exploration Tower is the back drop for this year's festival.

240 artists from around the United States will showcase their exceptional talent of paintings, woodwork, jewelry and more at our new location. Our detailed map shows you where all your favorite artists will be and many new ones. Saturday 100 or more student artists, from Brevard County schools will display their talents at the Student Art Show. This must see, one day event, is a stepping stone for these future artists.

Saturday and Sunday some of the Best of Brevard bands will be on our main stage. The Daily City Food Truck Bazaar will offer a variety of foods from 15 gourmet food trucks. Little ones can have their face painted or create a craft at the Hands-on-Art tent. Parking is plentiful with Park and Ride throughout the port, Cape Royal Building in Cocoa Beach and Craig Technologies in Cape Canaveral. Our Festival closes each day at 5:00 but the many restaurants and business in The Cove will be open for all to enjoy.

A special Thank You to the Canaveral Port Authority, Exploration Tower Staff, Festival Sponsors and business from surrounding communities for their support of the Space Coast Art Festival.

This star studded jam packed weekend would not be possible if not for our dedicated Board of Directors, members and volunteers who have worked months to plan this show for you, the enthusiastic art lover. Their dedication to the festival is endless.

We thank our visitors who continue to encourage the arts in our communities. Your love of the arts shows in your support of the Space Coast Art Festival.

Sincerely,

Cheryl Puleo - President
2014 Space Coast Art Festival

In 2014, we are excited to showcase the festival at the beautiful Cove area at Port Canaveral. This new location offers spacious accommodations that allowed us to create an artists' booth layout that flows easily and will be more accessible to patrons.

Space Coast Art Festival, (SCAF) is a not-for-profit 501(c)3 organization governed by an all volunteer Board of Directors. In 1963, a small group of artists and local community leaders, formed the first 'Cocoa Beach Sidewalk Art Show'. Sponsored by the City of Cocoa Beach and supported by the Cocoa Beach Woman's Club. Today, in our 51st year, we are one of the premier art festivals in the southeastern United States and a Thanksgiving weekend tradition to thousands.

YOUNG-AT-ART FOR CHILDREN

Children love to express themselves through art! Hands-on projects such as mobiles, pinwheels, beaded necklaces, painting, holiday decorations and much more. In addition to art projects, children will also enjoy clowns, balloons and face painting. Young at Art is FREE and is located near the Student Art exhibition.

STUDENT ART SHOW

The Student Art Show is held on Saturday, November 29th, and features over two-hundred students from Kindergarten to High School. The Student Art Show is the stepping stone to the future for these aspiring artists as they display their watercolors, sculpture and mixed media. Discover art through the eyes of these young artists, and visit us at 3:00 pm on Saturday, November 29th to see the results of the judging.
