## Invitation to Participate in the 2023 Student Art Show

August 21, 2023

Dear Teachers and Students,

We would like to invite you to participate in the 58<sup>th</sup> Space Coast Art Festival's Student Art Show. Each year the students of Brevard County have demonstrated to area residents and visitors the awesome talent they have. We expect this year's Student Art Show will be one of the best and biggest ever.

The venue for this year's show is the Avenue at Viera. The show runs from Saturday, October 14<sup>th</sup>, through Sunday, October 15<sup>th</sup>. Teachers/students will still need to bring and set up their displays on Saturday starting at 9:00 am. It might be beneficial to you to mat and shrink wrap your pieces to save the artwork in case of inclement weather, which is not required, just suggested. We will leave the artwork on display so more people can see it and then be picked up Sunday afternoon at 4:00 pm. Please don't pick it up any earlier. Awards will be given out Sunday at 3:00 pm. Students will not be required to be with their work at the time of judging. This way we are hoping to get more students involved and let the public enjoy the artwork longer. Teachers, students, or parents will be required to sign in the artwork and sign it out at the end of the show.

We are looking forward to a fun day with Brevard's best student artists again this year. If you have any questions, suggestions, or problems please don't hesitate to contact me.
