Buy Purchase Certificates

A Purchase Certificate is a cash equivalent award redeemable for face value at any registered SCAF artist's booth on November 29 & 30, 2014. When a Purchase Certificate holder makes a purchase using their certificate, they present their Purchase Certificate to the artist along with a Purchase Award Ribbon for the artist to display. **Purchase Certificates translate to guaranteed advance sales to exhibiting artists.** At the close of the Festival, the artist then redeems his/her Purchase Certificates from SCAF.

Please complete the reverse side and mail in the envelope provided. Payment must be received by November 17, 2014.
