STUDENT ART SHOW

This two-day event, held yearly in conjunction with the Space Coast Art Festival, features artwork by students from all Brevard County schools: public, private, charter and home-schooled. This opportunity provides a stepping stone to a creative future for these aspiring artists as they display their paintings, drawings and sculptures to their family, friends and the public. The Award Ceremony will be held at 3:00 Sunday and the Student Artwork will remain on display both Saturday and Sunday.

T-SHIRT DESIGN CONTEST

The Student T-shirt contest is open to all Brevard County Students, with the winning artists recognized by having their artwork featured in that year's Program Guide and the 1st place winner's artwork used as the Volunteer T-shirt design, given to festival volunteers. The three winning artists receive a cash award, as does their school art program. Visit our website to learn more about applying next year!

ARTIST SELECTION PROCESS

Submissions are reviewed by a panel of three independent jurors. Each juror independently scores each artist based on four images of their work and their booth layout. A maximum score of 10 points per juror may be given for a total of 30 points per artist. The highest-scoring artists for each category are selected, with the number of artists per category determined based on the number of entries per category and total number of submissions for the show.
