

## The 59th Space Coast Art Festival Returns to Viera

### *A Celebration of Fine Art, Community and Creativity*

**Viera, FL** — The 59th Space Coast Art Festival is returning to Viera, promising a vibrant weekend of creativity, family-friendly activities and outstanding fine art. The festival will be held at The Avenue® Viera on Saturday, October 12 (9 a.m. – 5 p.m.) and Sunday, October 13 (10 a.m. – 4 p.m.), in the heart of Viera, Florida.

Attendees will have the chance to view and purchase original paintings, drawings, sculptures and more from dozens of fine artists from Florida and across the U.S. Whether you're an art enthusiast, collector, or just looking for family fun, the festival offers something for everyone in a welcoming outdoor setting.

One of the highlights of the festival is the Student Art Show, featuring artwork by students from all Brevard County schools, including public, private, charter and home-schooled students. This showcase provides a platform for young, aspiring artists to display their creative talents in front of family, friends and the public, offering a unique stepping stone for their future artistic endeavors.

In addition to the incredible art, visitors can enjoy a variety of dining and shopping options at The Avenue® Viera, making it the perfect location for a day of entertainment and culture.
